E-SERIES WAGON

NATURAL BORN LEADER

In life, there are certain things you just have to admire. Like the Ford E-Series. Since it first hit the scene over 40 years ago, it's earned the respect of everyone from families to tradespeople. E-Series is designed to accommodate you while offering numerous choices to meet your needs. Need to haul building materials to a construction site? E-Series can tow up to 5 tons of it with ease. Have to get 15 people to the airport? Here's a wagon that can handle them all. No wonder it's been the leader in sales for 26 years in a row. People recognize a strong leader when they see one. Ford E-Series works hard to earn your vote.

NEW ADVANCETRAC® WITH RSC® (ROLL STABILITY CONTROL) 2
ROOMY COMFORT 3

POWERFUL PERFORMER 4
SPECIFICATIONS 5-7

STEADY AS SHE GOES

When you've got a big crew and a boatload of gear, it's nice to have a vehicle that helps you navigate with confidence. That vehicle is the E-Series Wagon. It has the power, plus the smooth ride and handling, to make every trip a pleasurable one. For added peace of mind, E-Series Extended Length Wagons now come with AdvanceTrac® with RSC® (Roll Stability Control). You'll appreciate this innovative system, especially when your wagon is carrying precious cargo and you're traveling over a slippery road. RSC helps keep you sure-footed and helps you get to your destination. E-Series is the only vehicle in its class to offer this advanced system. AdvanceTrac with RSC is just one more reason to choose an E-Series Extended Length Wagon for your crew.

COME WHAT MAY

ADVANCETRAC WITH RSC helps deliver the peace of mind and confidence every driver desires. AdvanceTrac is an **ELECTRONIC STABILITY ENHANCEMENT SYSTEM** that improves control on slippery surfaces like icy, gravel or rain-soaked roads. RSC detects potential rollover-type situations and **QUICKLY ENGAGES ADVANCETRAC** to help you maintain control.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

STRIKE UP THE VAN

Have you got a band on the run? Good thing your E-Series Wagon is part of your team. It's designed to enable you to take in more activities with more people. E-Series is one capable and versatile people mover. Its massive interior provides abundant room for all your travel guests and their gear. How many are along for the ride? Your seating choices include 7-, 8-, 11-, 12-, 14- or even 15-passenger configurations. For those who like a bit more luxury, E-Series Chateau offers sumptuous seating – a 7-passenger configuration with available leather-trimmed quad captain's chairs and 6-way power driver's seat. Tell the band to bring along their tunes, because Chateau comes with an AM/FM stereo with a CD player. And for your comfort, air conditioning comes standard on all E-Series van and wagon models. Have lots of stuff to haul? E-Series can tow up to 5 tons. E-Series... the perfect band aid. Passenger and cargo capacity limited by weight and weight distribution

ON WITH THE SHOW

E-Series Chateau features **QUAD CAPTAIN'S CHAIRS** trimmed in your choice of available leather trim or standard cloth. They're designed to put your comfort first. An available **REAR-SEAT DVD ENTERTAINMENT SYSTEM*** will keep passengers occupied for hours. The multimedia-compatible DVD player features a **10.4" FLIP-DOWN SCREEN** and can **PLAY DVD, VCD, SVCD, CD, CD-R/RW and MP3 FORMATS**. A game port, unified remote and **2 SETS OF WIRELESS STEREO HEADPHONES** are also included.

*Modified Vehicle Engineering (MVE) qualified installed option. See your Ford Dealer for details.

POWER STROKE TURBO DIESEL V8

NO GUTS, NO GLORY

When it comes to engines, Ford E-Series has plenty of bragging rights. There's an available V8 diesel – the brawny 6.0L Power Stroke[®] V8 Turbo Diesel with Electronic Variable Response Turbocharger (EVRT[™]). This engine has proven itself time and time again with more than enough torque (440 lb.-ft. @ 2000 rpm) and horsepower (235 @ 3300 rpm). You can opt for the available class-leading 6.8L Triton[®] V10 engine – boasting best-in-class* gas horsepower and torque – and TorqShift[™] transmission with Tow/Haul Mode, for a gross vehicle weight rating (GVWR) of up to 14,050 lbs. and towing capacities of up to 5 tons with optimized shifting on inclines. For power when you need it, E-Series is one gutsy vehicle.

*Full-size Van class.

6.8L TRITON V10

ENGINE TYPE	Gas V10
CONFIGURATION	SOHC V10
DISPLACEMENT	6.8 Liters
SAE NET HORSEPOWER	305 @ 4250 rpm
SAE NET TORQUE	420 lb.-ft. @ 3250 rpm

SMOOTH OPERATOR

The available **TORQSHIFT 5-SPEED AUTOMATIC TRANSMISSION** is Built Ford Tough and designed for the high torque outputs of the **POWER STROKE** and **TRITON ENGINES**. On gas engines, the TorqShift 5-speed automatic transmission includes a convenient **TOW/HAUL MODE** that helps eliminate extra shifting on steep grades and when towing.

5.4L TRITON V8

Having a physical disability doesn't mean life can't be rewarding. In fact, for many thousands of

Ford Motor Company customers, **Ford Mobility Motoring** has meant their lives can also be easier and more fulfilling. To request an information kit, learn about the Ford Mobility Motoring Process, and hear what customers say about the freedom and independence that adapted vehicles provide them, visit www.mobilitymotoringprogram.com.

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at www.fordcredit.com.

Choose the insurance program that's designed for your vehicle — Ford Motor Company Insurance Services. Our program helps you receive the rates and service you deserve. Call 1-877-367-3847 or visit us at www.fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

For a purchase or lease, the Ford **Extended Service Plan** (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP backed by Ford Motor Company and honored at all Ford dealerships.

Designed for your vehicle by the company that built your vehicle, Genuine Ford Accessories provides many choices, professional dealer installation, and strong warranty protection. Discover the quality difference of Genuine Ford Accessories. See dealer for limited warranty details.

New-Vehicle Limited Warranty

Under this warranty, you'll receive bumper-to-bumper coverage for 3 years/36,000 miles with no deductible. You'll also receive corrosion perforation coverage for 5 years with unlimited mileage and no deductible. Ask your Ford Dealer for a copy of the warranty.
